

OPDS Oral Pathology Diagnostic Services

PO BOX 23667

San Diego, CA 92193

Dear Doctors and Staff:

It has been our great pleasure to serve you and your patients over the number of years. Starting July 12, 2023 OPDS will be discontinuing laboratory service. **Please throw out all shipping labels for OPDS.** Any cases sent after this time will be returned.

Dr. Davies will be joining the faculty at the University of the Pacific School of Dentistry. The great service we have provided will be available at the Pacific Oral & Maxillofacial Pathology Laboratory (POMPL). OPDS formalin bottles can be used for POMPL.

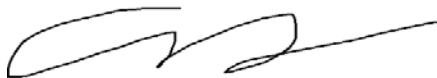

Phone: (866) 958-3384

Lab Info and Forms: <https://dental.pacific.edu/dental/dental-services/professional/pompl>

Dr. Roy Eversole started OPDS and POMPL. Though Roy is no longer with us, he would be proud of the work OPDS has done. Dr. Davies hopes to continue to serve clients and patients in the outstanding care you have come to expect at POMPL.

Please reach out with any questions.

Sincerely,

Austin Davies, DDS and Oral Pathology Diagnostic Services
